編者補白

編這書經過，自然很多話想說，但不占地位，因就省去。祇希望讀者不原諒，作者努力追究，編者極不厭煩，發行者盡力推銷。

目下四圍環境緊張時代，個人如此，國家世界亦如此。永遠如此嗎？我就不知道。但感覺不停，因此什麼都想解決，越不能解決越會想應有解決。所以，需要努力！就是我們的態度。責任也祇有如此。

這一期封面的圖案，以後用作我們的標識，表明「威武不屈」的意思。

「事事要不浪費」，是一句很時髦的話。我吃的是流行飯，當然搾出一點流行的腦汁，就此擱筆。

魯少飛

“On all sides a tense era surrounds us. As it is for the individual, so it is for our country and the world. Will things always be this way? I for one don't know. But since the feeling won't go away, one desires an answer, and the more one fails to find it, the more that desire grows. Our stance, our single responsibility, then, is to strive! As for the design on the cover of this first issue, it shall be our logo. Its meaning: Yield to None.”
